

## Did you know???

In accordance with the 201 CMR (Code of Massachusetts Regulations) 17.00 M.G.L. Ch93H personal data such as social security numbers, license numbers, bank account numbers, credit and debit card numbers must be “secured in a reasonable manner”.

Do you have open file cabinets around your office or file cabinets which may not have functioning locks? We have a solution for you! We can retrofit these cabinets economically with locking bars. If you would like us to provide you with a quote for the installation of locking bars please call Glisel Alvarado @ 1-800-696-2676 ext. 167.
